Dear Admiral Turner:

Thank you for your kind letter of 1 February and your comments on my appearance with you on the 24th of January. I wish to thank you for having invited me and to express my own belief and sense of satisfaction that the evening for all of us was especially stimulating and productive.

Let me also express my personal pleasure at having met you, and I look forward to hearing from your staff and meeting with you again.

Sincerely yours,

[Signature Box]

Richard P. Mitchell
